INTRODUCTION:

Bhagyoday Tirth Charitable Trust, Sagar, Madhya Pradesh is a wide network of learned, committed and dedicated individuals was established in 1993, under the pious directions and with blessings of Param Puja Acharya Shri Vidyasagar Ji Maharaj. Since the inception, the trust is nurtured by the sacred heart of Acharya Shri to achieve the objective of serving the diseased mankind.

Established in 1998 Bhagyoday Tirth Chikitsalaya is pioneer in providing the State of the Art Medical facilities to economically weaker section of the Society for last 15 years. To develop and nourish the Indian system of Medicine and to provide cost effective alternative to the diseased mankind, the trust started Naturopathy and Ayurveda department in Bhagyoday Tirth campus. The trust is providing value driven services to the Economically and Socially backward area of the State, the Bundelkhand region.

After observing the unemployment and poverty in this region, the Trust decided to offer Professional, Technical and Job oriented educational courses in Bhagyoday Tirth. Today, the Bhagyoday Tirth Charitable Trust manages Nursing College, Pharmacy College and Paramedical College in Sagar (M.P.), India. We ensure that our Students get good opportunities in growing economy and fulfill the global demand of skilled and trained personnel.

Location:

The College is located on the Sagar-Bina road (2 km from Railway station and 3 km from Bus Stand).

Our Mission:

Bhagyoday Tirth Nursing College seeks to demonstrate the compassion and healing touch of Param Puja Acharya Shri Vidyasagar Ji Maharaj through excellence in up to date Nursing Education, Good Samaritan Social Service and Path breaking Nursing Research.

Our Philosophy:

Nursing education is best accomplished in a milieu that is flexible in its approach to the teaching-learning needs of Students while maintaining standards of performance based on articulated criteria of competence. Education is an interactive process of study and experience that fosters development in critical thinking, communication skills and the cognitive, affective and psychomotor domains. This process best occurs in a climate of mutual respect wherein it is acknowledged that both Students and faculty bring unique Knowledge and experiences to learning. The sharing of this knowledge and experience encourages creative approaches to problem solving and a commitment to continued learning about the Art and Science of Nursing. Learning is a lifelong process enabling Students to assimilate knowledge and develop values, skills, and competencies.

The faculty acknowledges that Students enter the nursing program with a variety of educational and life experiences. Bhagyoday Tirth Nursing College believes that education is a lifelong process that enables participants to build on and modify previously acquired knowledge, skills and attitudes.

The faculty believes that learning and teaching are interactive processes and expects the Student to assume an active role.

The faculty believes in using a variety of instructional strategies to facilitate critical thinking and problem solving. These skills enable the Nurse to make decisions and take actions that are consistent with standards for Nursing practice and laws.

The faculty is committed through its educational mission to:

- (1) the autonomy of professional nursing;
- (2) the preparation of professional nurses to function as an integral part of healthcare delivery in a global society;
- (3) the integration of information technology into education programs and healthcare; and
- (4) the generation and application of theory and research for the advancement of nursing science.

The faculty advocates continuous efforts to maintain the College's mission as a leading Institute of Excellence by furthering quality in Nursing education, and also by recruiting and retaining diverse high quality Student population and attracting Scholarly faculty with a broad base of expertise.
