# ABOUT THE BHAGYODAY TIRTH CHARITABLE TRUST

Bhagyoday Tirth Charitable trust was established by learned, committed and dedicated persons in 1993, under the pious direction of Param Pujya Acharya Shri Vidyasagar Ji Maharaj. Since the inception, the trust is nurtured by the sacred heart of Acharya Shri to achieve the objective of serving the diseased mankind. The Bhagyoday Tirth Charitable Hospital has been serving the medical facilities to economically weaker section of the society since last 12 Years. To develop and nourish the Indian system of medicine and to provide the cost effective therapy to the diseased mankind, the trust has started Naturopathy and Ayurvedic department in Bhagyoday Tirth campus. Trust is providing its value driven services in economically and socially backward area of the country, the Bundalkhand region.

## ABOUT BHAGYODAY TIRTH PHARMACY COLLEGE

To fulfill the ever increasing demand of technical and skilled personnel in growing pharmaceutical industries, the trust has started Bhagyoday Tirth Pharmacy College in year 2007-08. The college provides four year integrated technical course leading to award of Degree in Pharmacy (B. Pharmacy). The college is duly approved by All India Council of Technical Education, New Delhi and Affiliated to Rajeev Gandhi Technical University, Bhopal. The college is located on the Sagar- Bina road (2 km far from Railway Station and 3 Km far from Bus Stand) and has a beautiful lush green and pollution free campus.

## COLLEGE INFRASTRUCTURE

Set amidst lush green surroundings, about 2 kms from bus stand, the campus provides an ambience that stimulates intellectual thinking and academic interaction. In a strictly academic environment students are exposed to High-Tech state of the art laboratories and modern computer lab. The faculty and the students are encouraged and allowed to surf the net. All the systems in computer lab are connected with internet facilities making way for easier access to information. All administrative works of the college are computerized. The other feathers in the campus include classrooms with multimedia equipment / Overhead Projectors, faculty and administrative blocks, a state-of-the-art library, common room and canteen. The college is having all modern teaching and educational amenities. The various laboratories present in the college comprise modern instruments and equipments so that our students can experience an industrial environment during their studies.
